

DRAGON A400

DRAGON A250

Industry-leading CNC tube and pipe plasma cutters with industry-leading funding.

Our mission is to provide you with creative lease and financing solutions to get you the machinery you need to grow your business and keep your customers happy.

We offer competitive, creative, and fair lease/finance solutions:

- Personalized, in-house credit decisions
- Flexible terms, ranging from 1-5 years
- 100% financing at competitive rates
- No early pay-off penalties
- Options for \$0 down and deferred payments
- Customized lease-to-own agreements
- Industry-leading terms for Start-Ups
- App only to \$250K for established businesses

... and our customers have come to expect:

- Speed! We'll turn your application into an order in as little as one day
- We're a direct lender, not a broker - you'll stay with us from start to finish
- Product Knowledge - we have 20+ years experience in the fabrication market
- Customer Service - every time you call us you'll speak with a live person

*All financing is subject to credit and equipment approval and time in business.
